GILES COUNTY	CHIEF DEPUTY TREASURER	03-07-07 Email from Angie Higginbotham, Chief Deputy Treasurer, Giles County, regarding NiKeta' (Nikki) Outlaw, Training Coordinator:  "Niketa - I do not know who you report to but I would like for you to forward this message to them. I really enjoyed the class. You were especially friendly and made sure everyone got what they needed. Other classes I have attended, you saw the person hosting the class upon registration but they disappeared following the registration. You made sure you introduced yourself to people during breaks and made the class a friendly and fun experience. During lunch, you came around and asked for comments and made sure everyone got what they needed. From my point of view, you did an excellent job in Roanoke. Keep up the good work! Thanks again for all of your reminders and updates via e-mail before the class also."	N/A	The Compensation Board wishes to thank Ms. Higginbotham for her kind remarks.

NORTHWESTERN REGIONAL ADULT DETENTION CENTER	ASSISTANT SUPERINTENDENT	<p>03-21-07 The Assistant Superintendent wishes to inform the Compensation Board that the expansion to Northwestern Regional Adult Detention Center will be open and accepting inmates on May 1, 2007. Assistant Superintendent wishes to request funding for the fifteen (15) corrections positions allocated for the opening of this expansion.</p> <p>The Assistant Superintendent wishes to notify the Compensation Board that he would like to request reimbursement for employees hired and on site beginning March 15, 2007.</p> <p>This facility was originally planned for completion in July 2007. During construction the planned opening date moved ahead of schedule and staffing for the expansion was originally budgeted based upon an opening date of March 1, 2007. The Governor's Budget, submitted December 15, 2006, contained a funding reduction in FY07 and one month in FY08 based upon a delay in construction and a revised opening date of July 1, and this reduction remained unchanged during the 2007 General Assembly session. However, upon further research, it appears this date was changed based upon the original planning date, and not due to delays in construction. Had this error not occurred, the jail would have been able to request 45-day early funding based upon their budgeted date of March 1 and intake of inmates effective May 1.</p> <p>Compensation Board staff recommends the one-time approval of additional temporary funds in the amount of \$ 120,315.30 for March 15 through June 30, 2007, with funding to come from amounts reappropriated from FY06 balances in the current year.</p>	\$120,315	Compensation Board approves one-time funding in temporary funds in the amount of \$120,315 as an exception to policy based upon the unique conditions specified by the officer. Funding and permanent positions for staffing of the new facility in FY08 will be considered as a part of the Compensation Board's annual budget allocation approval process by May 1.

CIRCUIT COURT CLERKS

#### Previous Compensation Board Action:

**Discussion by the Compensation Board at their February 21, 2007 meeting:** In response to the Compensation Board's request of January 15, 2007 to these 8 Circuit Court Clerks, staff presents supporting documentation provided by the Clerks in Buchanan County and Giles County as proof of corrective action taken to all repeat audit finding(s) reported by the Auditor of Public Accounts in the September 28, 2006 Statewide Report on Virginia Circuit Courts. Staff did not receive responses from the remaining 6 offices by the docket deadline.

**Action taken by the Compensation Board at their February 21, 2007 meeting:** The Compensation Board reconsidered its action taken to withhold the December 1, 2006 salary increase for the Giles County Clerk and approves 4% salary increase retroactive to December 1, 2006. The Compensation Board did not reconsider its action taken to withhold the December 1, 2006 salary increase for the Buchanan County Clerk as the officer did not provide any documentation as proof of corrective action taken. The Compensation Board deferred action on the remaining 6 Circuit Court Clerks until their March 28, 2007 meeting in order to review documentation provided to them just minutes prior to the start of today's meeting. (This information was delivered to the Attorney General's Office and not to the Compensation Board as requested.) Walter J. Kucharski, Compensation Board Member and Auditor of Public Accounts, abstained from voting in any matter in regard to this docket item.

**Discussion by the Compensation Board at their January 9, 2007 meeting:** The Compensation Board revisited the issue of the December 1, 2006 salary increase withheld from these 8 officers due to repeat audit findings.

**Action taken by the Compensation Board at their January 9, 2007 meeting:** The Compensation Board requested that the 8 Circuit Court Clerks in Buchanan County, Giles County, Greensville County, Powhatan County, Smyth County, Washington County, City of Petersburg, and City of Salem from which the December 1 salary increase was withheld be requested to provide proof of corrective action taken to all repeat audit finding(s) reported by the Auditor of Public Accounts in the September 28, 2006 Statewide Report on Virginia Circuit Courts and in the October 12, 2006 Report on the Salem Circuit Court Clerk. Upon receipt of such documentation, the Compensation Board will reconsider its previous action to withhold the December 1 salary increases at its February 21, 2007 Board meeting.

**Item considered by the Compensation Board at their November 15, 2006 meeting:** "Per the Auditor of Public Accounts' Report of September 28, 2006, 7 Clerks (Counties of Buchanan, Giles, Greensville, Powhatan, Smyth and Washington and the City of Petersburg) had repeat findings and per the provisions Item 66 (I) of Chapter 951 of the 2005 Acts of Assembly and Item 64 (I) of Chapter 3, 2006 Acts of Assembly are not eligible for the December 1, 2006 increase. In addition to the 7 Clerks named in the report, by letter of October 12, 2006, the Auditor of Public accounts reports that the Salem City Clerk had repeat findings. Therefore, 8 Clerks are not eligible for the December 1, 2006 4% salary increase."

**Action taken by the Compensation Board at their November 15, 2006 meeting:** "In accordance with the provisions of Chapter 3, Item 64, paragraph I, the salaries of the Circuit Court Clerks in the Counties of Buchanan, Giles, Greensville, Powhatan, Smyth and Washington and the Cities of Petersburg and Salem will remain unchanged as of December 1, 2006. Board Member Walter J. Kucharski abstained from the vote."

### NEW BUSINESS:

<u>LOCALITY</u>	<u>OFFICER</u>	<u>REQUEST</u>	<u>TOTAL COST</u>	<u>COMPENSATION BOARD ACTION</u>
CHESTERFIELD COUNTY	SHERIFF	<p>03-16-07 Sheriff requests reimbursement for guard duty expenses for the months of November and December. This office's reimbursements for guard duty were withheld by the Compensation Board for the months of November and December pending guidance from the Office of the Attorney General regarding the need for a court order to support reimbursements.</p> <p>Staff notes that late last fall, requests for reimbursement of guard duty were being requested that appeared to be outside the authority of the Compensation Board to fund, specifically requests from regional jails, and requests from sheriffs and regional jails without accompanying court orders. As requested by staff, we have received guidance from the Office of the Attorney General that the Compensation Board is not authorized to reimburse guard duty expenses for regional jails, nor for sheriffs in cases where there is not a court order directing the sheriff to provide such guard. Until such time as a response was received from the Office of the Attorney General, requests for reimbursement without accompanying court orders were not approved.</p> <p>On 3-16-07, the Sheriff's office provided the Compensation Board with a blanket court order dated 3-15-07 to process future reimbursements for guard duty. Since the county attorney has advised the Sheriff's office that a judge cannot issue a retroactive court order to cover the months that reimbursement was withheld, this office is requesting that the Compensation Board reinstate any funds that have been held using the blanket order as an indication of their intent to comply with the requirement. Chesterfield County is requesting a total of \$10,122.88, which includes \$9,403.51 for salaries and \$719.37 in fringe benefits for the months of November and December.</p>	\$10,122.88	The Compensation Board did not approve the Sheriff's request to reimburse guard duty for which no court order exists. Sections 19.2-328 and 53.1-93 of the Code require an order of the court in order for the Compensation Board to reimburse guard duty expenses. It is not in the discretion of the Compensation Board to circumvent the requirements of the Code.

CITY OF CHARLOTTESVILLE	CIRCUIT COURT CLERK	<p>03-21-07 In response to a letter from the Executive Secretary dated March 16 regarding the potential revocation of \$52,580 in budgeted \$1 TTF, the Clerk asks that the Compensation Board maintain approval of these amounts for his office. The Clerk explains that his system to provide SRA was installed with the capability for SRA to be available on 7/1/06, but it has not become operational due to a change to Section 17.1-279 of the <u>Code of Virginia</u> during the 2006 session of the General Assembly moving the requirement for providing SRA from 7/1/06 to 7/1/07. During this time, the Clerk has been working to resolve certain issues, including an amount to charge subscribers.</p> <p>Officer notes that of the amounts currently budgeted, \$21,600 has not yet been paid to the vendor, although work has been completed, and \$30,680 has also not yet been paid to the vendor, and the officer will not proceed to make payments to the vendors until after Compensation Board action on March 28.</p> <p>Officer states that the current status of SRA in his office was conveyed to staff by email on February 7, 2007 and by phone on March 15, 2007. Staff notes that information conveyed to staff by email on February 7 confirms that Clerk's SRA system was fully functional on July 1, 2006, and that Clerk's office is accepting subscribers to the SRA system, but the office does not currently have any subscribers. Staff notes that information conveyed in the phone conversation on March 15 confirmed officer is not currently providing SRA nor accepting subscribers to his SRA system, and precipitated the Executive Secretary's letter to the Clerk and recommendation for revocation of budgeted funds.</p> <p>March 28, 2007 -- In a telephone conversation today, just prior to this Board meeting, the Clerk assured Compensation Board Chairman Frank Drew that he had not expended any of the funds in question and that he would be offering SRA to the public on or before July 1, 2007.</p>	-0-	<p>Compensation Board confirms action to revoke approval of \$1 TTF in the amount of \$52,580, as these funds were budgeted based upon the officer's certification to providing secure remote access to land records, and the officer has indicated that secure remote access to land records is not currently being made available. The Board advises the Clerk that if he makes operational his system to provide SRA to land records, the Board will reconsider funding of these amounts for the purposes originally budgeted.</p> <p>The Compensation Board directed staff to confirm after July 1, 2007 that the Clerk is in fact providing SRA to land records in his office and if so, the Board will reconsider this funding at its July 2007 meeting.</p>
