EMAIL MEMORANDUM

To: All Constitutional Officers and Regional Jail Superintendents  
From: Robyn deSocio, Executive Secretary  
Subject: Overview of Compensation Board Funding Contained in the Governor's Recommended Budget (FY10 and FY11/FY12)

An overview of budget amendments affecting Constitutional Officers and the Compensation Board contained in the Governor's recommended budget (FY10 and FY11/FY12) is provided by connecting to the following link on the Compensation Board's website:

Please review all information in the linked document. This document contains preliminary information regarding Governor Kaine's proposals. There are numerous reduction items contained in this document. Please note that it is not possible to say at this moment what impact each action will have in each office. These proposals must be considered and approved by the legislature, and the Compensation Board will need to specifically approve any staff proposed methodologies.

In the coming weeks, Compensation Board staff will be continuing to review and analyze the Budget Bill proposals to provide more detailed information regarding impacts at the locality and office level to your Association leadership. As we head into the upcoming legislative session, I have no doubt that these issues will receive considerable attention, and the final reductions to be determined by the legislature in the spring remain to be seen. In the meantime, we will work to address what these cuts may mean to your offices if ultimately approved by the General Assembly in their proposed form.
