Explanation:

(This amendment provides for the development and implementation of a Deputy Treasurers' Career Development Program.)

EXECUTIVE SUMMARY

The 1999 General Assembly directed the Compensation Board to develop a career development plan (CDP) for Deputy Treasurers. A task force comprised of Compensation Board staff and Treasurers was formed to develop the criteria for participation in the plan and to determine costs for the plan. The 2004 General Assembly again directed the Compensation Board to develop a Career Development Program for Deputy Treasurers. The Compensation Board, with input from the Treasurers' Association of Virginia (TAV), amended the 1999 Career Development Program proposal to reflect updated costs and subsequent Compensation Board policy actions. The plan sets the following criteria for participation in the career development program: the Treasurer must have an employee evaluation program established, the applicant must have at least three years of experience as a Deputy Treasurer in the office, the two most recent performance reviews must have been above average and no performance objective in the last two review periods should be below average, the deputy should have no more than one written reprimand from the Treasurer within the two years prior to selection, and the deputy must achieve certification as a Master Governmental Deputy Treasurer from the Weldon Cooper Center for Public Service at the University of Virginia.

Upon certification by the Treasurer that all criteria have been met in the CDP adopted by the Treasurer, the Treasurer will annually recommend through the online budget process a 9.3% increase in pay for eligible deputies. The pay increase would take effect July 1 of each year. Such pay increase being contingent upon appropriations by the General Assembly.

The 2004 General Assembly approved funds for the Deputy Treasurers' Career Development Program in the amount of \$68,949 for Fiscal Year 05 and \$162,801 for Fiscal Year 06.

The above costs are those which would be borne by the Commonwealth, and are 50% of the total costs. The remaining 50% would be borne by local governments, per §15.2-1636.14, Code of Virginia.

The CDP for Deputy Treasurers is similar to those programs proposed by the Compensation Board and subsequently approved by the General Assembly for Deputy Sheriffs and Assistant Commonwealth's Attorneys.

The Compensation Board approved an audit procedure for the Career Development Program on December 21, 2005. The audit procedure is provided in Appendix E of this document.

Although, when developed, the Deputy Treasurer Career Development Program included participation of deputies in the offices of both Treasurers and Directors of Finance, no authorizing language or funding is provided in the Appropriation Act for the deputy program in the offices of Directors of Finance.

STUDY DEFINITION AND PARTICIPANTS

In defining the scope of the study, the Compensation Board limited the application of the Career Development Program to Deputy Treasurers. AMENDMENT SUMMARY

On September 15, 2004 the Compensation Board approved to change the bullet points to alphabetical letters.

The Compensation Board approved a change of verbiage in the Certification Form from:

- Statement of Additional Compensation.

This is to certify that the career development plan in this office meets the minimum criteria for such plans as established by the Compensation Board.

To be:

M. *I hereby certify that the following Compensation Board funded Deputy Treasurers meet or exceed the criteria set forth in C, D, and E above and a 9.3% salary increase is requested:*

<i>Name</i>	<i>SSN</i>
_____	_____
_____	_____
_____	_____
_____	_____
_____	_____

I also certify that the career development plan in this office meets the minimum criteria for such plans as established by the Compensation Board.

On February 16, 2005 the Compensation board approved a change in the verbiage of the Executive Summary to include the following:

“Although, when developed, the Deputy Treasurer Career Development Program included participation of deputies in both Treasurers and Directors of Finance, no authorizing language or funding is provided in the Appropriation Act for the deputy program in the offices of Directors of Finance.”

The definition of deputy has been changed from:

“ For the purposes of this study, deputy shall mean any position reimbursed by the Compensation Board in a Treasurer or Director of Finance office. The Treasurer or Director of Finance may further limit the deputies eligible to participate in the Deputy Treasurer Career Development Program.”

The current definition reads as follows:

“ For the purposes of this study, deputy shall mean any position reimbursed by the Compensation Board in a Treasurers office. The Treasurer may further limit the

deputies' eligibility to participate in the Deputy Treasurer Career Development Program.”

On December 21, 2005 the Compensation Board approved the Deputy Treasurer Audit Plan presented by the Treasurers' Career Development Audit Committee.

On January 26, 2006 the Compensation Board approved a change of verbiage in the Certification of Career Development Plan.

The new verbiage will be as follows:

M. I hereby certify that the following Compensation Board funded Deputy Treasurers **are duly sworn by the Clerk of the Circuit Court and** meet or exceed the criteria set forth in C, D, and E above and a 9.3% salary increase is requested.

On May 24, 2006 the Compensation Board approved an amendment to the Deputy Treasurer Audit Plan. The updated verbiage states “A deputy may not be audited more than once during a three year period, thereby ensuring a more fair and accurate audit of all certified officers. The Audit Committee will reserve the right to re-audit a Deputy Treasurer that has been rejected for any reason in a previous audit.”

In Chapter 3, 2006 Appropriations, the General Assembly amended the Deputy Treasurer Career Development Program as follows:

Item 65

D.1. Subject to appropriations by the General Assembly for this purpose, the Compensation Board shall provide for a Deputy Treasurers' Career Development Program.

*D.2. For each Deputy Treasurer selected by the Treasurer for participation in the Deputy Treasurers' Career Development Program, the Compensation Board shall increase the annual salary established for that position by 9.3 percent following receipt of the Treasurers' certification that the minimum requirements of the Deputy Treasurers' Career Development Program have been met, and provided that such certification is submitted by the Treasurer as part of the annual budget request to the Compensation Board on or before February 1st of each year **for an effective date of salary increase of the following July 1st.***

On July 28, 2010 the Compensation Board has approved the amendment to the cumulative point requirements to the Treasurer Career Development Program.

1.) The Schedule for Treasurers is:	Year 1	6 Points
	Year 2	12 Points
	Year 3	24 Points
	Year 4	48 Points

This schedule eliminates the credits for association membership and previously attained educational level and increased the initial and certification educational and examination requirements.

The changes also increase point requirements for ongoing education courses and participation in seminars and conferences for program recertification during the same four year recertification time period.

2) TAV Amended the verbiage throughout the Deputy Treasurers Career Development Program from “Level II Certification” to “Master Governmental Treasurer Certification” as was changed in Treasurers Association of Virginia Certification Program Handbook for Treasurers.

On May 22, 2013, The Board approved an amendment to change the language the language on page 4 Regarding Minimum Length of Service. Previous to the change, it read:

“The minimum length of service necessary to be considered for selection is three years as a Deputy Treasurer or comparable service in the office in which appointment is sought.”

The new language now reads:

“The minimum length of service necessary to be considered for selection is three years as a Deputy Treasurer or comparable service in the office in which appointment is sought or any other Treasurer’s office funded by the Compensation Board in the event the Deputy wishes to change locality.”

While the Compensation Board approved this language change, the Association must note that this change does not allow an employee to automatically carry with them the related salary amount if moving from one office to another mid-year. Appropriation Act language requires that each deputy Treasurer be selected for the program by their Treasurer, and that the Treasurer certify that the individual meets all of the criteria for the program each year prior to February 1, for an effective date of salary increase the following July 1. Consequently, the specific change requested by the Association cannot be approved by the Board.

Removing the requirement that the minimum length of service be achieved in each office will allow individuals currently in the program to maintain continuous eligibility when they move to another office, provided all other program criteria are maintained, but maintaining the salary increase is subject to the individual's new Treasurer certifying the individual meets all criteria in their office. When the individual maintains continuous eligibility in the program as a previously funded participant, they would maintain their eligibility to be funded in the next program year. This language change is consistent with the provisions of the Assistant Commonwealth's Attorneys' Career Prosecutor Program.

On April 25, 2018, The Board approved an amendment from the Treasurer's Association to remove the language on page 7 regarding the requirement for Deputy Treasurers to be sworn by the Circuit Court Clerk. Previous to the change, it read:

"I hereby certify that the following Compensation Board funded Deputy Treasurers are duly sworn by the Clerk of the Circuit Court and meet or exceed the criteria set forth in C, D, and E above and a 9.3% salary increase is requested:"

The language now reads:

I hereby certify that the following Compensation Board funded Deputy Treasurers meet or exceed the criteria set forth in C, D, and E above and a 9.3% salary increase is requested:
